Dear Partner,

We are pleased to be able to provide you with the latest IRS information to be included in your newsletter, publications and/or web site. The attached TEC "Headliner Package" describes information regarding the new Employment Tax *e-file* System. This system offers new features and provides greater flexibility for filing employment tax returns.

The package includes an article that can easily drop into your newsletter and/or publications along with some Frequently Asked Questions. We hope that you find the attached information helpful. If possible, we would appreciate a link or copies of articles pertaining to these topics from your organization.

Thanks again for partnering with us to educate your small business members in order to make it easier to fulfill their tax obligations. We hope that this education makes them better business people and their businesses more successful.
